CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Dear Mr. Smith,

After reviewing the status of the DMR reports for Centennial, Wildcat and WEST RIDGE Projects, it has been determined that although it was thought that your copies had been sent to the Division of Oil, Gas and Mining and to the Division of Water Quality, in fact they had not been sent. This was obviously an error on our part and I will see to it that this error does not occur in the future.

I apologize for the inconvenience.

Sincerely

Michael W. Glasson  
Senior Geologist
